NOTE: Submitting your most up-to-date Top 20 is one of the most important contributions you can make as a pool member. It allows OMAP to accurately track the progress of each release and means better service for you. We would much rather have your Top 20 than charge you a penalty fee for no chart. Even if you've been lax in the past, please resolve to provide your Top 20 every charting period during 2005. It's vital for every one of us!
